

THE OVERCOMER

It's getting cold
for the faithful who
want to trust the true
wanna follow you
just passing through
catch a chill
and then you're numb

if the gospel's easy
was it even tried?
just step outside
where the odds are long
and the enemy's strong
can it be overcome?

IN THIS WORLD
WE KNOW THE POWERS THAT BE
LET DRAGONS RUN FREE
TAKE HEART
DON'T BE AFRAID
THIS WORLD'S GONNA BE REBORN
SUNDOWN'S COMING,
BUT WE'RE GETTING WARM
HERE BETWEEN HEAVEN
AND THE PERFECT STORM
YOU ARE
THE OVERCOMER

Why fight it
if we're almost there?
caught between conviction
and the devil may care
some days
this world seems beyond a prayer

And if love is the motive
to do your will
to give and serve
but it's questioned still
that's a bitter pill
can it be overcome?

IN THIS WORLD
WE KNOW THE POWERS THAT BE
LET DRAGONS RUN FREE
TAKE HEART
DON'T BE AFRAID
THIS WORLD'S GONNA BE REBORN
SUNDOWN'S COMING,
BUT WE'RE GETTING WARM

HERE BETWEEN HEAVEN
AND THE PERFECT STORM
YOU ARE
THE OVERCOMER

*It'll all be made new
As we glorify you
And we'll sing as one
You have overcome*

IN THIS WORLD
WE KNOW THE LABOR PAIN
IS NOT IN VAIN
TAKE HEART
DON'T BE AFRAID
THIS WORLD'S GONNA BE REBORN
SUNDAY'S COMING
WE'RE GETTING WARM
HERE BETWEEN HEAVEN
AND THE PERFECT STORM
YOU ARE
THE OVERCOMER
