

Yeshua (We Worship You)

We worship you
In spirit and truth
For all you've done
And all you'll do
We worship you
With gratitude
For all you've done
And all you'll do

Holy, holy, holy
Yeshua
Holy, holy, holy

We worship you
With gratitude
For all you've done
And all you'll do
We worship you
In spirit and truth
For all you've done
And all you'll do
We worship you

Holy, holy, holy
Yeshua
Holy, holy, holy
Holy, holy, holy
Yeshua
Holy, holy, holy

Yeshua, our redeemer
Yeshua, our hope of things to come
